GROUP 3600

Sir:

In response to the Office Action of June 10, 2002,
please amend the above-identified application as follows:

In the claims:

Amend claim 1 to read as follows:

1. (Once Amended) A method of servicing a customer of a building contractor by a third-party website provider in a context in which the building contractor has contracted with the customer to build or rehabilitate real estate for the customer at a building site of the real estate, such method comprising the steps of:

providing a first website by the third-party website provider for use by the customer in selecting product, service or installation service options of product, service or installation service offerings available from or through the building contractor for installation at the building
